ARROWHEAD

50TH ANNIVERSARY

ED, sir

I have no idea
what to say
except that after
all the big adventures
we have been through
we're still going
strong. (Like usual)

Anyway, It's been
a great, short year
and it's been great
because of me, I mean
you. Let's me

sign it first
what a jerk.

"How did you keep
all the girls from
begging to sign

YOUR BOOK"

In closing why don't
you get dable promoted
or buy the school or
something. I don't

know. Have a
great summer and
you say and America
says (when you see a girl)
or girls

GO FOR IT!

Your best friend
jerky Richard

Camacho

(Lord RICHARD CAMACHO I)

This year went
by fast. It's been
great knowing you
and I hope to see
you next year!

Francis
Moran

Mr Murphy
Barry

Miss Jarnaz

Dear Ed,
Have a great
summer. See
you next year. Stay safe + cool.

Yaz Marie Regan

Ed,
It has been a
great fresh year
I hope the next
3 are the same
than old

ED KLEIN

Ed...

Your friend,
Kurt

P.S. You're an ~~asshole~~ (CENSORED)
but you're a pretty
cool friend. Don't
Party This Summer.
It could be hazardous
to your girlfriend's
health.

Ha! Ha! Ha!

P.P. Don't get anymore
haircuts you already
look like a head!

Goal, Lane, Goal!

Football has always been an important part of Lane Tech. The teams' winning ways have always made us proud of them.

One of the most popular items at Homecoming is balloons, as our "Jubilee" students demonstrate here.

The Marching Band marched to the beat of a different drum-mer.

Raising the spirits of both the players and the spectators were the cheerleaders.

Lane Paved

Addison Street Aluminaries

In September, 1934, about 9,000 Laneites marched from Wrigley Field to Lane's new school building on Addison Street. In May, 1983, this event was reversed, when 5,000 people marched from Lane to Cubs Park in honor of Lane's Diamond Jubilee. Included in this procession were students; faculty members; and alumni, including Lane's oldest alumni. Leading the way were the members of the Marching Band and their police escort. The elderly and the handicapped were transported in special buses. The Parade Marshal and keynote speaker was Brigadier General Donald Kutyna, a 1951 Lane graduate, who is the Deputy Commander of Launch and Control Systems Acquisition and the Systems Program Director of the Space Transportation System (Space Shuttle) at Space Division, Air Force Systems Command, Los Angeles Air Force Station, California.

The management at Cubs Park went all out to make this a special day, as the scoreboard proclaimed, and the team won in our honor. News reporters captured the excitement of the day.

Dear Ed,

You are a good friend it was funny how you don't
get along with anybody (like girls) and what we met
again after all these years. I hope you have fun this

summer and will get along with one of
the girls. I know you will get along

at school. I know you will be a good
boy and a good student. I hope you will be
a good friend to all the girls.

I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.

I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.

I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.

I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.

I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.

I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.

I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.

I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.

I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.
I hope you will be a good friend to all the girls.

Vertumnal Glory

Lane has seen many changes over the years. Like a silent, omniscient, omnipotent being, it has overlooked man's attempts to express himself. One such attempt is the beautiful piece of statuary found in the Memorial Garden. Unfortunately, not all attempts at creativity celebrate pleasant moments. As evidence of this, we have the recently dedicated Vietnam monument, a tribute to those Lane grads who lost their lives trying to bring freedom to Asia. The clock in the Tower ticks away the hours which measure man's achievements.

~~they~~ won't lie, it's not been nice knowing you, hey, how the
~~did~~ did you get into this school, I mean I'm smart,
But what happened to you? Well good luck in
the future, Please don't come back.
Michelle Engard

1984 GRADUATES

Graduation — a night of joy, a night of sadness: joy that one has accomplished a major feat, sadness that one must leave long-time friends. This is a major milestone in the lives of seniors. Never again will they have the feeling of belonging that they have had in high school. Now that they are young adults, they will go out into the world to blaze new trails and conquer new heights. Some will do so directly, entering the world of business. Others will take a temporary detour to the colleges of their choice. But all will try to leave their marks for those who come later to follow.

ACADEMICS

House Party

Open House was once again combined with grades pick-up, but there was a difference. This year, grades were on computer sheets rather than in course books. Parents and teachers were able to meet conveniently during the afternoon and evening to discuss grades, programs, and student performance. Most people felt that the day was a great success.

Mr. Lehman explains the new grade sheets to an interested but confused parent, as Ms. Neely

does the same for a puzzled family.

Dad, have I mentioned that I want to be an artist?

Mrs. Zurawski looks up grade sheets for Krys Lewandowski and Stephanie Miceli, as Dad looks on.

Mr. Markland's books are an open record—nothing to hide there, as one mother soon

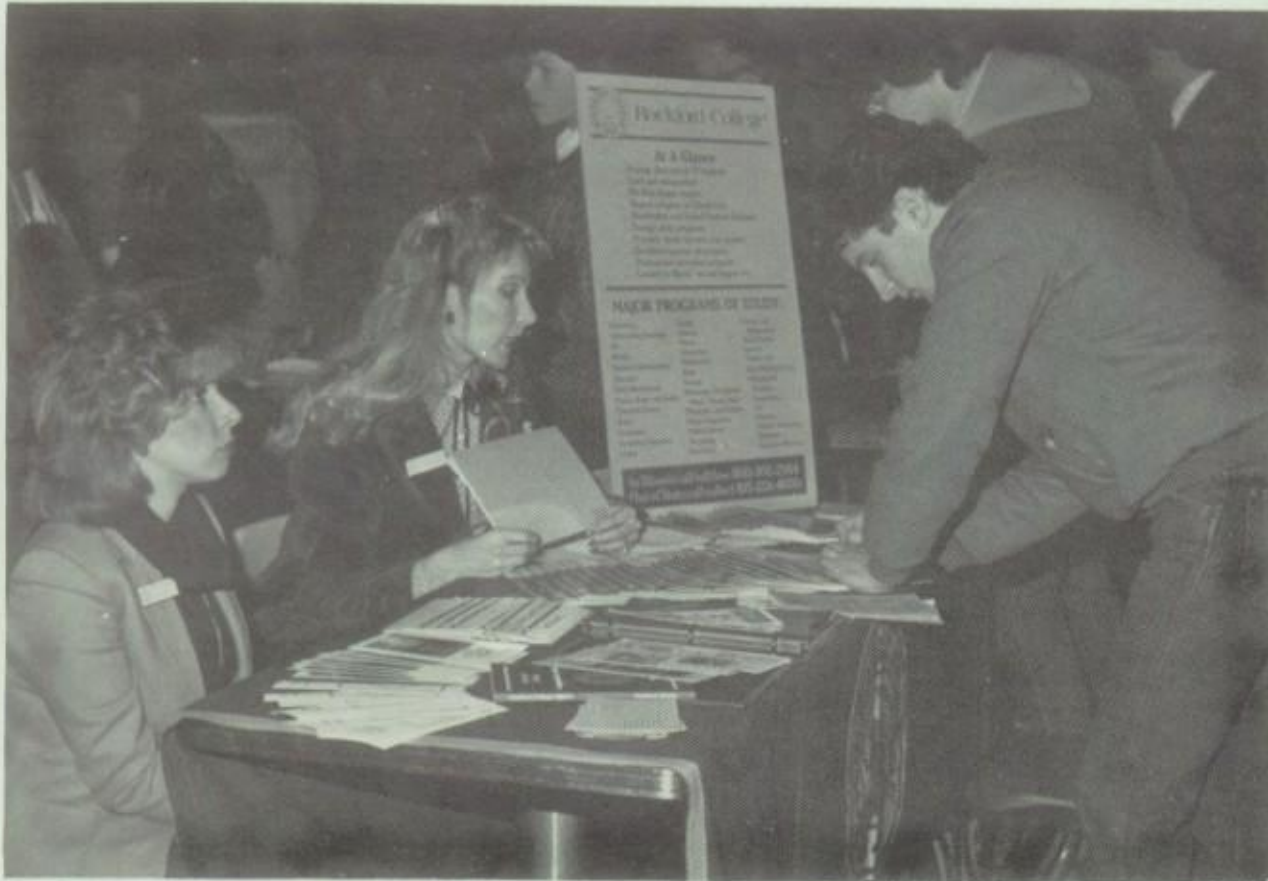

learned.

Preparing for the Future

A college education is still the best hope of obtaining a rewarding career, so in spite of the increasing costs, many students find this choice desirable. In order to help juniors make an intelligent decision,

counselors from colleges and universities across the country assemble here on College Night to discuss the merits of each with the students and their parents.

Rulers of the Roost

Student Court Judges meet twice a week to "hear" cases which have been referred to them by hallguards for various minor infractions. Students are allowed to plead their own cases (no "lawyers" allowed here). Some cases are dismissed, but in others, students must serve one-to-three days of discipline.

Anatomical Cutups

Biology students learn about the world of living organisms, from the smallest cellular organelle to the largest biome. The A.P. class includes not only brilliant students but also fish, frogs, a snake, and rodents. In this lively environment, the class studies in-depth the precise processes by which living things function. This class is a non-stop study/learning experience which prepares students for the A.P. exam.

In addition to attending classroom lectures and doing laboratory work, students are encouraged to sit in on Saturday lectures at the University of Chicago and to take advantage of summer work-study programs at such universities as Loyola.

Earth Worms

An explosion of scientific knowledge about the earth and the solar system has occurred during the last forty years. This knowledge has resulted in a new scientific view of our planet. We now have a better idea about how the earth's surface has been shaped into familiar continents and oceans. The fruits of these great discoveries are now part of a new science called Earth Science.

In Good Con-Science

Science Fairs have always been very successful at Lane, and to complement that even more, the Lane Tech Science

Club was formed, this year. It provides students with an opportunity to meet other classmates who have a strong in-

terest in science. It serves as a focal point for their planning and participation in the Science Fair.

Fair Game

Special demonstrations and projects are club activities. These include a realistic life-size cave which was built by club members for Open House. Once again, Lane excelled, leading the city in State Science Fair finalists. This included Ramon DeLeon, a 1984 International Science Fair finalist, whose project was "Plate Techtronics: The Dynamics of Lithospheric Plate Motion."

The Language of Life

Classical Humanities may be taken as an elective or in place of English IV. Honors credit is available to gifted students. In addition to their

literature, the art and architecture of ancient Greece and Rome are studied. Students who are curious about ancient times and about how history has

shaped the present, and who would like to understand the man of today better, can benefit from this course.

Speech is an elective open to juniors and seniors who want to gain a feeling of self-confidence when facing an audience. Here students can learn to develop and compare their ideas.

Reading Lab is open to sophomores and juniors who want an alternative to regular English II and III. It covers the basic English curriculum, but it also gives students a chance to work at their own speeds. There is a wide area for experimentation.

Im-press-ionable Students

The Craftsmen's Club members earn their way by making buttons and T-shirts for other school organizations and events. Members compete for prizes, which are awarded at their annual banquet in June. Some of

these students have also won coveted honors from many professional groups. Their interest and dedication helps to keep the Graphic Arts Department running smoothly.

Graphic Arts is available to sophomores, juniors, and seniors. There are three shops in the department. In the linotype room, rough drafts of the Arrowhead, Tech Prep, Warrior and other jobs are set up. Finished versions are then sent to the pre-press shop, where negatives of

the stories are burned onto metal plates. Paste-ups are also done here and negatives of the pictures are taken in the darkroom. Afterwards, the metal plates are sent to the press room, where they are put on the presses, and the printing is finished.

Machinations

Machine Drafting I and II are a continuation of Basic Drafting with more emphasis on mechanical as opposed to architectural drawing and

design. Students study, in more depth, machine parts, assemblies, dimensioning, and tolerancing, as well as manufacturing processes. In

Machine Drafting II, students spend more time learning the different pictorial presentations, air-brushing, and descriptive geometry.

Mr. Sullivan explains the working of a lathe to Avelino Deveyra, Chris Hlavac, Dave Hilt, Jerry Huss, Roberto Flores, Kimberly Hudson, Salvadore Quintero, and Elizabeth Arzuaga.

They Just Keep Rolling Along

In Auto Shop, students learn the parts of an engine, how they fit together and how they work. After they learn the basics, they can gain a feeling of self-confidence in judging

what is wrong when a car doesn't "sound" or "feel" right and in taking it apart and fixing it. They can also learn some of the essential steps in doing a tune-up.

Sandi Kwan and Glenn Murakami enjoy a laugh at the funny wording on the sign on the McPherson strut mount.

Cabinet Ministers

Beginning Woodshop students learn basic woodworking skills, such as reading a drawing, measuring, cutting, planing, and finishing. During this class, they make the traditional shield with a

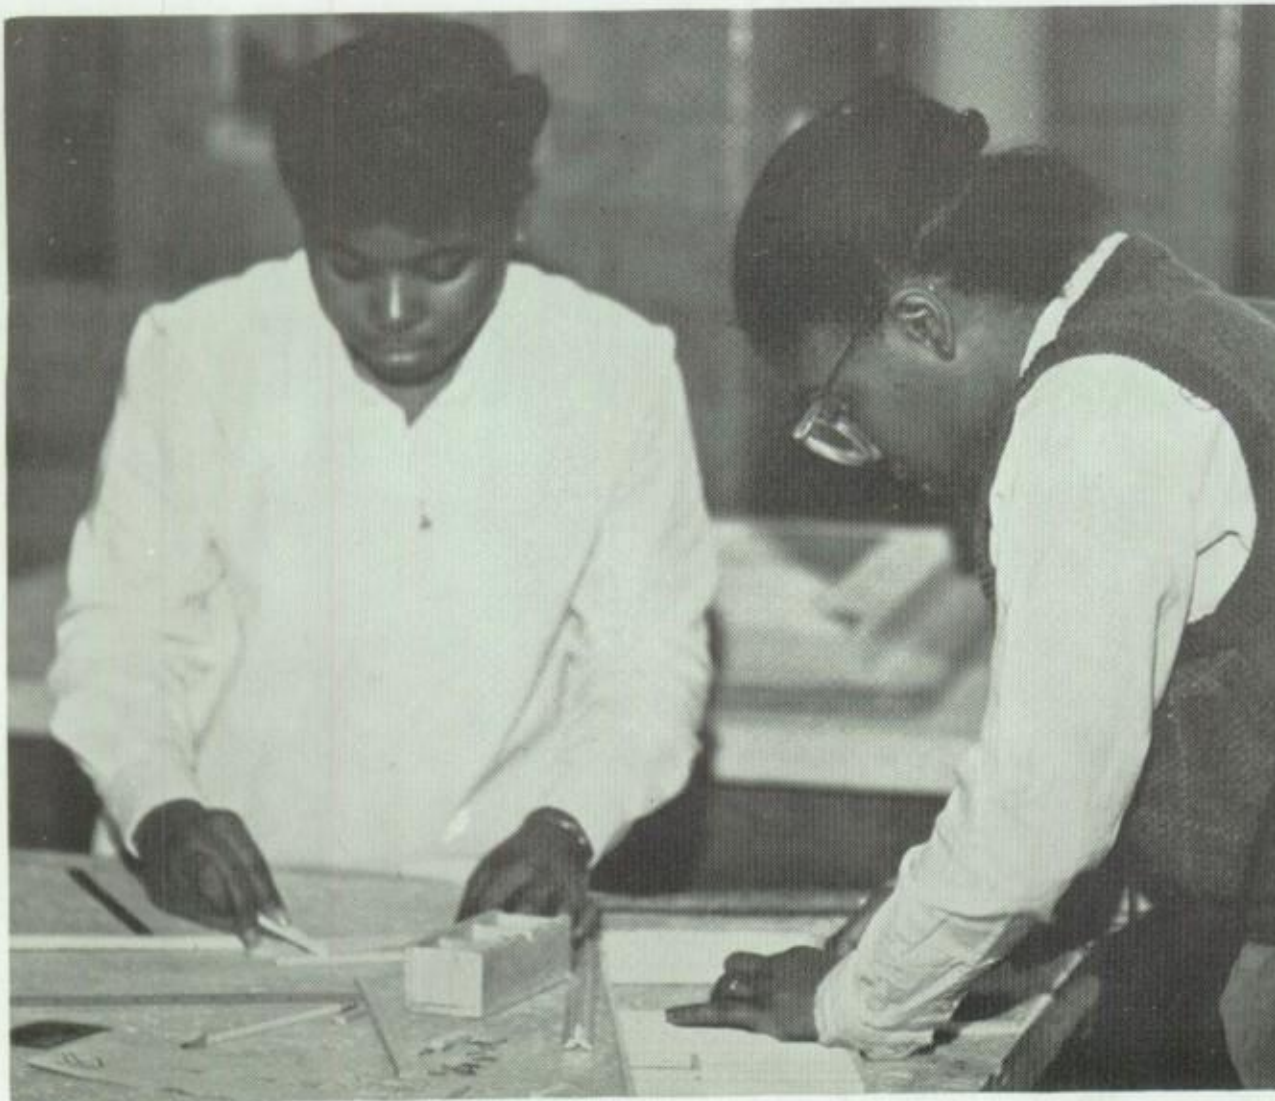

carved Indian head or the school letters L, T, H, S. Cabinet making is an advanced Woodworking course offered to juniors and seniors as an elective.

Arcs of Triumph

Sheet Metal Shop is very useful and constructive. This class requires patience and precision. Students learn the basics of constructing items made of metal. Their finished products are both useful and decorative.

There are several different kinds of welds which students learn while in the Welding class, which enable them to make many useful objects and to do repairs.

Ohm Sweet Ohm

The foundations of Electrical and Electronic Principles and Theories are presented to students in a stimulating and challenging sequence in a shop-laboratory oriented program. Exposure, identification, and a hands-on approach are used in the study of electronic components as found in our

high-tech society. A discussion of industrial job opportunities, coupled with related technical skills and reinforced with the "Learn by Doing Principle," complement the development of an attitude of continuing study in the field.

A Pigment of the Imagination

Art Department students participate in many exhibitions, where they win top honors. They learn to work in such media as pencil, ink, acrylics, and ceramics. Students may

also take Design II, which is a course in photography. This gives them an understanding of one of the important tools of scholarship and the business world.

"...A Different Drummer"

This Jubilee year was a very successful one for the Marching Band members. They proudly wore their new uniforms while performing at Wrigley Field, the Greek parade down Michigan Avenue, Memorial Day services, and, of course, the football games! With the help of many collaborators, a very rare "Monster Bass Drum" was restored. This 60" drum is the third largest drum in the country and was first used at Lane in 1923.

Ad Astra per Aspira

Latin Club members have an enjoyable time at meetings, singing songs such as "Twinkle, Twinkle Little Star" (in Latin), and playing such games as "Hang the Butcher." The special event of the year occurs about the time of the Roman Saturnalia (December 17). This is the annual banquet at which songs are sung, plays are performed, recitations are given, and "slaves" are auctioned. The food served duplicates that in ancient Rome: chicken, vegetables, nuts, and eggs. Grape juice is substituted for wine.

Peanuts, Anyone?

Key Club is a service club for the home, the school, and the community. Each Key Club is sponsored by a Kiwanis Club, Lane's sponsor being the Lakeview Kiwanis Club. The major annual project is Peanut Day, when students sell peanuts at intersections to passersby. Lane's students also work during the Muscular Dystrophy and the Cerebral Palsy telethons.

The Big Guns

Salute

Rifle Team members worked hard and were rewarded by remaining city champions. They are still undefeated.

Precision is important to the bearers of the M-1903's, the Honor Guard. Their alertness keeps them looking good.

Teamwork and devotion have kept the Drill Team Number One in both the District and the City for the past three years.

The custom of raising the flag in front of the school and in the garden is the responsibility of members of the Color Guard. These students also display the colors during the special school functions.

Game of Life

Campus Life members enjoy a variety of activities. At meetings, there are discussions about dealing with situations that arise at home and at school, and getting along with others. Afterwards, there are refreshments and a time spent playing games. Sometimes, a guest speaker is invited to address the group. Major events include an annual Roller-thon, a Great American Getaway (to Great America), and the Holiday Teen Convention (where members of all Campus Life Clubs in the area meet).

THE J.E.T.S.et

1984 marked the beginning of a new tradition at Lane - Academic Letters. Requirements are stiff - a 4.0 grade average for three-quarters of the year. Recipients must also participate on an academic team, such as J.E.T.S., Math, etc. In addition, the team

sponsor must write a letter of recommendation. In the first year a student qualifies, he receives a letter. Each year thereafter, he will have a bar pinned to his letter if he continues to be eligible.

Roads Scholars

Driver Education is an important part of student life. They are taught to be careful drivers, and they learn some of the things they can expect on today's

roads. In the classroom, sophomores are taught the rules of the road. They are also allowed to sit at a simulator while watching a movie of driving

hazards. In addition, students get the "feel" of a car by idling on the range and then finally driving in actual traffic.

Two special assemblies were held, this year, both on the subject of freedom. The Drug Assembly speakers told of ways to stay free — to prevent enslavement to harmful substances. During the Holocaust Assembly, Robert Clary made an impassioned speech about the dangers of allowing any group of people to subjugate others. Both assemblies emphasized the subtlety by which we can lose the things most precious to us.

They Tackle the Hard Jobs

The Varsity Football Team got off to a slow start because of the interruption at the beginning of the season but was able to make up for lost time and gain strength as time went on. As players got back into the swing of

things, their practice sessions became better and they gained more confidence in their ability to play together. By the end of the season, they rose to 4th place in the City Play-offs.

Jubilee in '83

The 1983 Homecoming dance was a success, even though it was postponed till November 10, because of the teachers' strike. The band, "Dressed for Success," is a new-wave group. Recorded music was also supplied by members of the Stage Crew, who did an excellent job. Crowned King and Queen were Stuart Eng and Cyndi Holliday. The decorations fitted the theme, "Dance Under the Stars," very well, thanks to Mr. Zak's imaginative hard work.

"L"et's Hear It for the Stars!

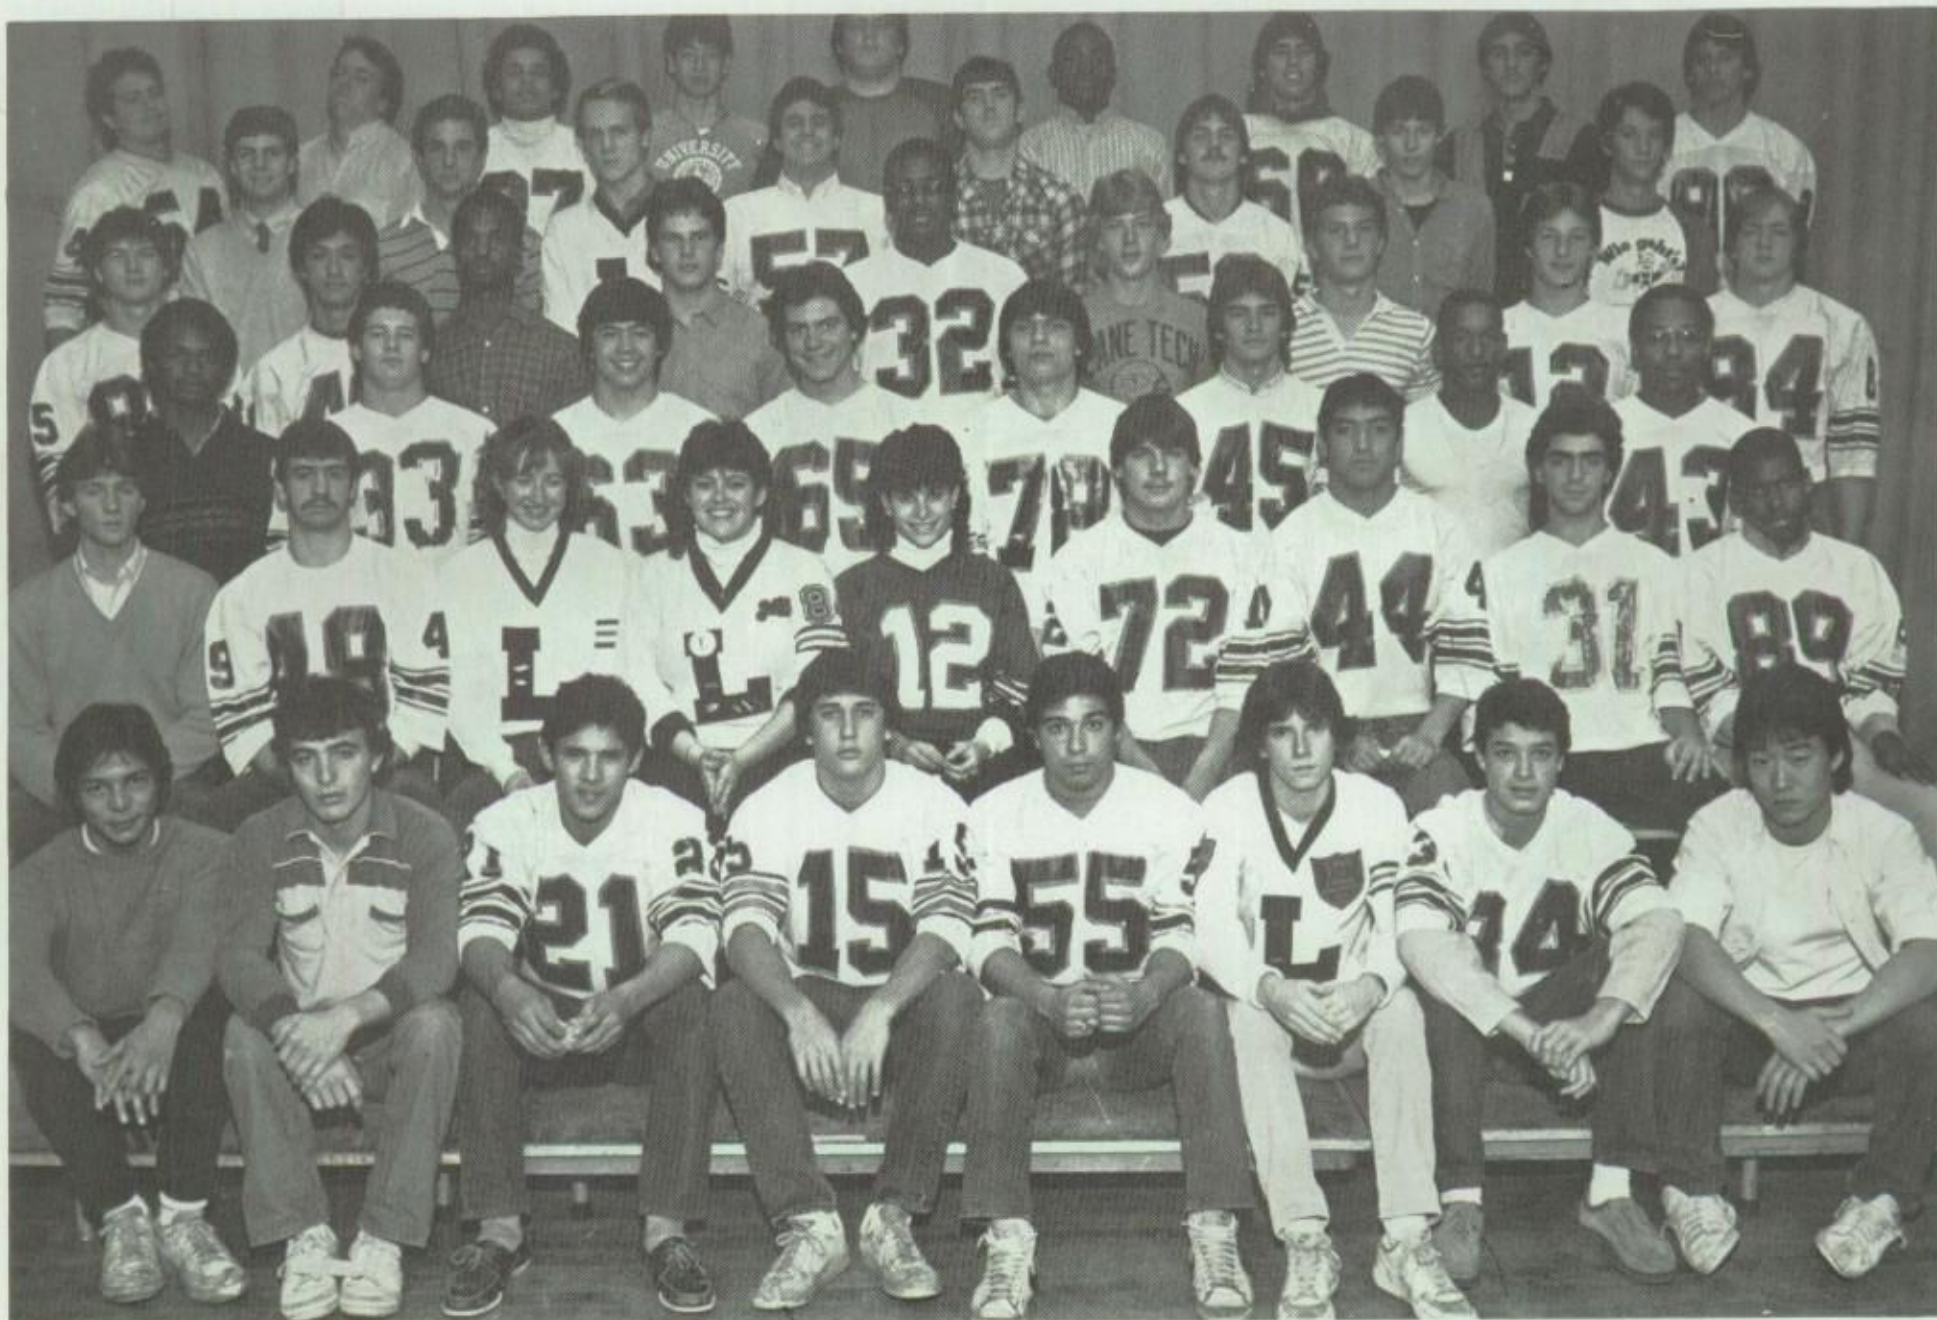

The Lettermen's Club consists of students who have won letters for athletic ability. Each year, several of them challenge teachers to a basketball game, which determines which of them is in the best condition. Often the students are the victors, but a good time is had by all.

Watering Hole

The Boys' Swim Team had a good year, placing a very close second in the city championship meet. Richard Gladych broke the 200-yard and 500-yard freestyle races. Four swimmers qualified for the state meet — in the 200-yard and 500-yard freestyle events, the 400-yard freestyle relay, the 200-yard individual medley, and the 100-yard butterfly race. In addition, Roy Jewell won first place in the diving competition.

A Sense Of Balance

This year's Girls' Gymnastics Team overcame an extremely short (three week) season to win the City Championship in both the Compulsory and the optional Divisions. Lane is the only public school in the history of Girls' Gymnastics' competition to win both divisions.

Diamonds in the Rough

The Varsity Baseball Team won the North Section baseball title with a 13-win, 1-loss record. (Their overall record was 24 wins and 6 losses.) They beat Prosser in the first round of the playoffs. Key players on this year's squad were outfielders Joe Levato and Mike Crance, infielders Pete Villips and Angelo Kritikos, catcher Jack Caccioppo, and pitchers Mike Haddon, Joe Vetrano, Bob Czaska, and Ken Carlyon.

Angelo Kritikos takes a mean swing at the ball. Careful that you don't bite your tongue there, Angelo!

VARSITY BASEBALL TEAM

TOP ROW: Joe Vetrano, Brian Lutzow, Jim Foley, Angelo Kritikos, Chris Chiero, Mike Haddon, John Geltis, Ken Carlyon, Luis Jiminez.

ROW 2: Mr. Jerry Szukala (Coach), Alberto Martinez, Ted Stankey, Steve Brady, Jack Caccioppo, Mike Crance, Darren Caswell, Matt Rogus, Mr. Dave Hayes (Asst. Coach).

BOTTOM ROW: Tim Kasper, Mike Greif, Pete Vilips, Bob Czaska, Joe Levato, Henry Ziccardi, Jong Bae Kim, Chris Timko.

FRESHMAN BASEBALL TEAM

TOP ROW: Rommel Pitchan, Dave Dahms, Wolfgang Stange, Leonard Lugardo, Joe Peterson, Ina Buck. ROW 2: Sung Chung (Mgr),

Jose Munguia, Sang Lee, Jerry Lozano, Mr. Ken Gillard (Coach). BOTTOM ROW: Eric Nelson, Mike Caccioppo, Carlos Acevedo, Roy Lawson, Todd Karner, Dale Crigley.

Base-ic Values

The Frosh-Soph Baseball Team won the Northwest section championship with a perfect record of 10 wins and no losses. Their overall record was 19 wins and 4 losses. They beat Kenwood in the first-round playoffs. Pitchers Brent Logerquist and Les O'Hara have done well on the mound. Mike Misceovich, Don Cuchran, Tim Kasper, Allen Land, and Chris Spaid supplied the power.

(W)rest(l)ing on Their Laurels

The Varsity Wrestling team had a good year, winning first place at the North Sectional Meet, where eight students placed for the City Championship Meet. At this City Tourna-

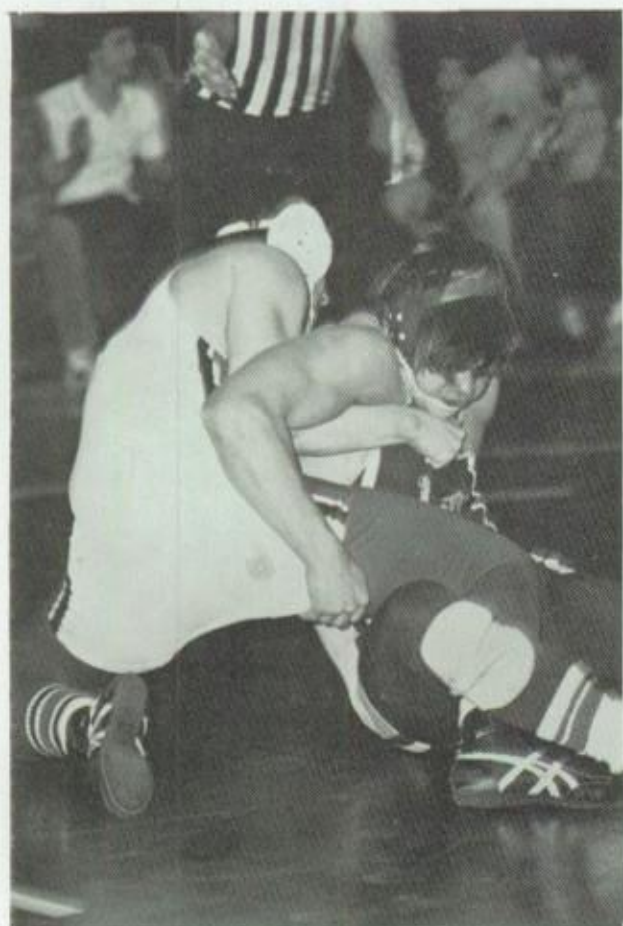

ment, we had two winners — Rich Tado, taking first place, and Demetrios Iliopoulos coming in a strong second.

Rusty Shenouda and his opponent Dance "The Waltz of the Torreadors."

TOP ROW: Rich Tado, Demetrios Iliopoulos, Vince Moreno, John Bubaris, Chris Timko, Keith Leitich, Mike Poplawski, Dave Elias, Mr. Jeff Newmark (Coach). ROW 2: Rusty Shenouda, Frank Paolucci, Stuart Eng, Ronald

Rogers, Paul Hayes, Daryll Golladay, Chris Lorimer, Sean Glowa. BOTTOM ROW: Karen Stine (Mgr.), Robert Zavala, Ray SanAugustin, Rich Feddor, Mike Halami, Robert Nishime, Monica Eng (Mgr.).

Mighty Muscle Men

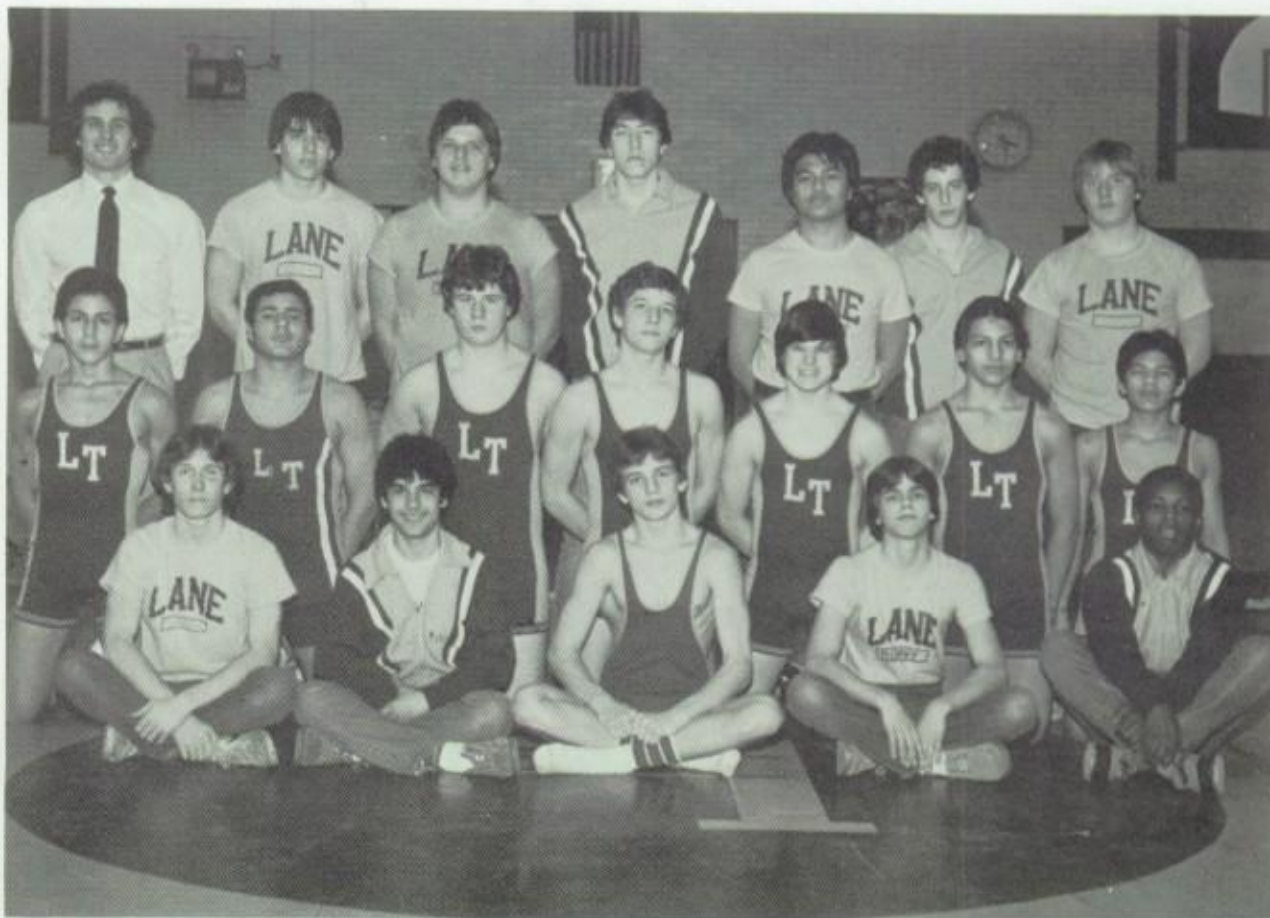

Frosh-Soph Wrestling started off strong and ended even stronger, with Captains Dave Krone, who placed in two major varsity tournaments; and Ron Davenport, who took first place in the frosh-soph sections, leading the way to a victorious season. The team was first in its section, and most of the wrestlers placed first, second or third in at least one competition.

Robert Zavala pins his opponent from Gordon Tech to the mat.

Chris Timko wrestles his opponent to the ground in a cradle move.

FROSH-SOPH WRESTLING

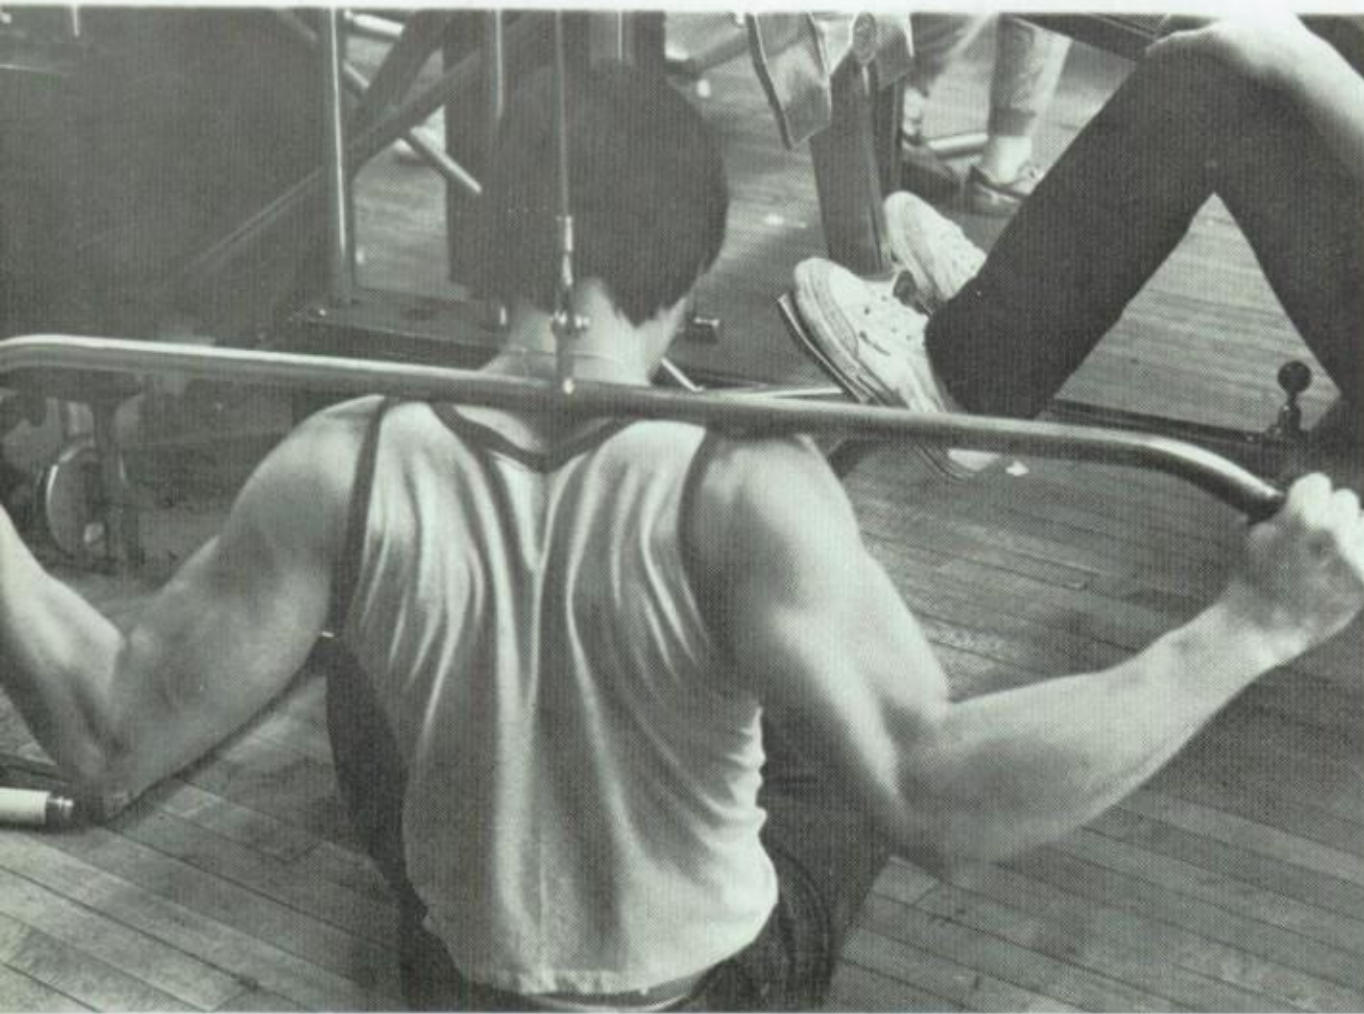

TOP ROW: Mr. Jeff Newmark (Coach), Nick Christofalos, Tom Donovan, John Anderson, Joseph Cardenas, Dan Edelstein, Half Nelson. ROW 2: Edwin Figueroa, Rafaat Shenouda, Cory

Gunderson, Dave Krone, Rudy Salinas, Frank Contreras. BOTTOM ROW: Matt Foerstel, Tom Pappas, Mike Stevenson, Mark Murphy, Ron Davenport.

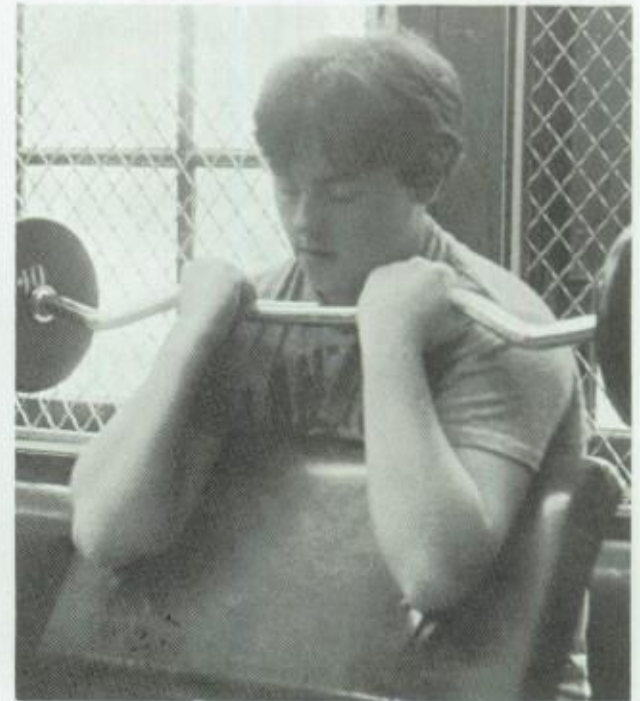

Frank Paolucci goes for a cradle move to beat Prosser's wrestler.

Weight-y Matters

Keith Leitich spends as much time as possible working out on the bar to strengthen his back and shoulder muscles.

Weight Training is the regular and systematic use of resistance in order to build stronger and shapelier muscles. Club members learn to condition their bodies to improve their skill in sports, while they're having fun. This helps them gain self-confidence and a better appearance.

Roger Thompson works out on a curl press in order to develop his biceps.

Physical Fitnuds

The Marine Fitness Team consists of a select group of students who are very competitive and have a great

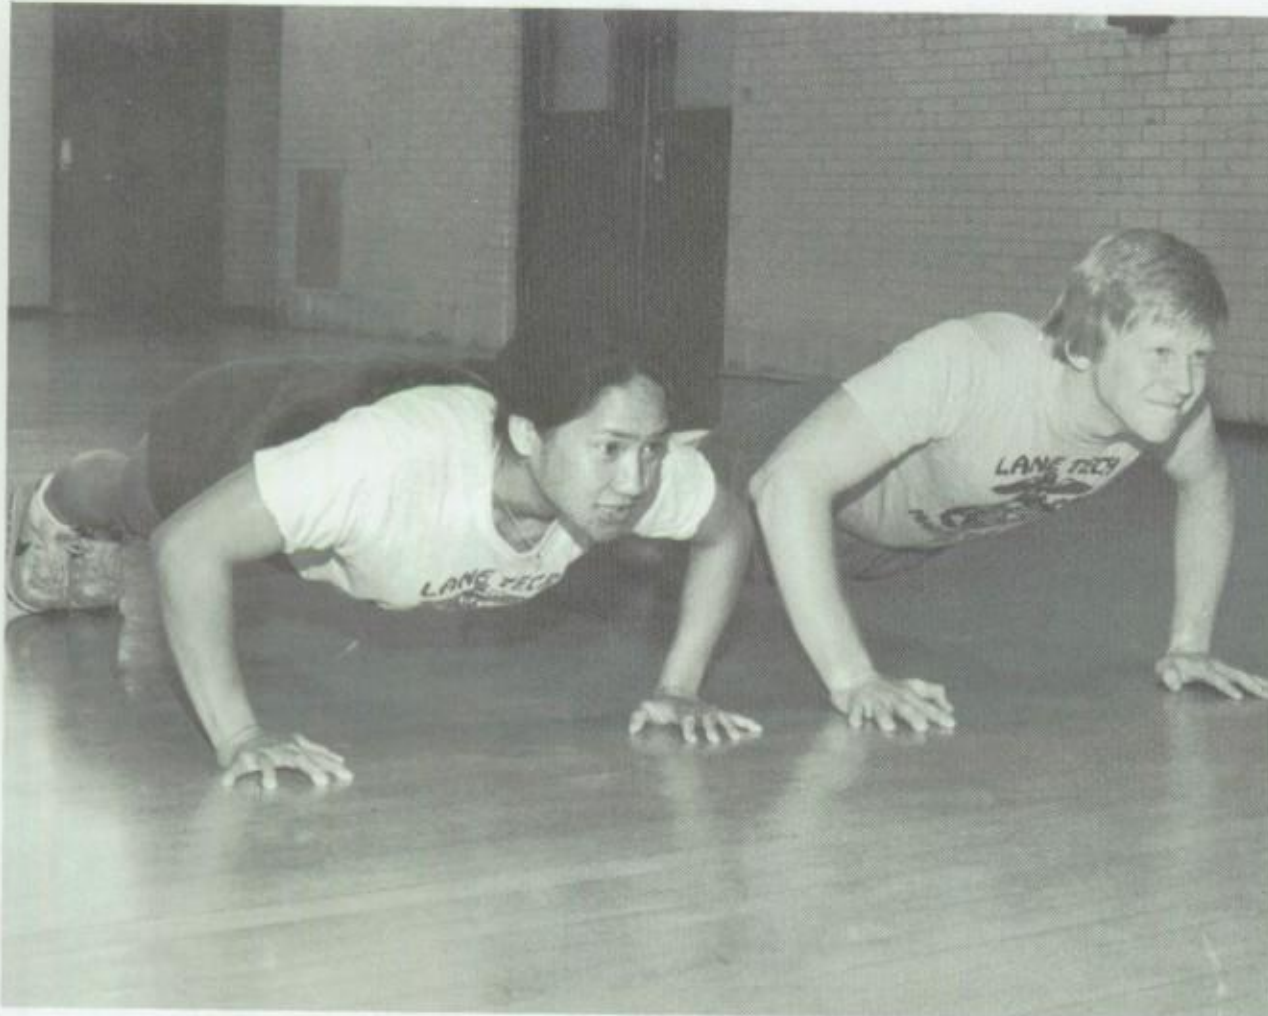

deal of self-motivation. Members practice on Mondays, Wednesdays, and Fridays from 7:00 to 7:45 A.M.

On Fridays, they engage in a mock competition.

FACULTY

Command Center Operator

From the Diamond Jubilee Anniversary of the original Lane Tech located at Division and Sedgewick, last year, to the Golden Anniversary of the present Lane Tech, this year, we have gone through two exciting years. Two years of celebrations recalling the greatness of Lane's past. Two years of planning for the greatness of Lane's future.

These last two years have seen special activities to commemorate past events, such as last year's march to Cubs' Park, the Alumni Concert, the Old Grads' Dinner-Dance, and the senior graduation dedicated to the alumni of the old Division-Sedgewick era. Last year was a great year for stirring up memories. So, too, will we stir up memories, this year. We will again recreate the march to Cubs' Park, have a combined Alumni-Student Concert, another Dinner-Dance, and another graduation dedicated, this time, to the first grads of the present building.

The past two years have had a great impact on the school. The Alumni Association now has its own office in the building and can boast of a mailing list of more than fifteen thousand grads. The alumni are contributing to their alma mater in many ways. Seniors, now you become one of more than sixty thousand graduates of a great institution, Lane Technical High School. Don't let yourselves become only a name on a mailing list. Become active alumni. Involve yourselves in alumni activities and celebrations. Help those that follow you in the next fifty and seventy-five years. Remain a loyal Laneite throughout the years. Carry your Lane Tech pride with you always. You are something special.

As you leave, remember the Lane Tech motto—"Wherever you go, whatever you do, remember the honor of Lane."

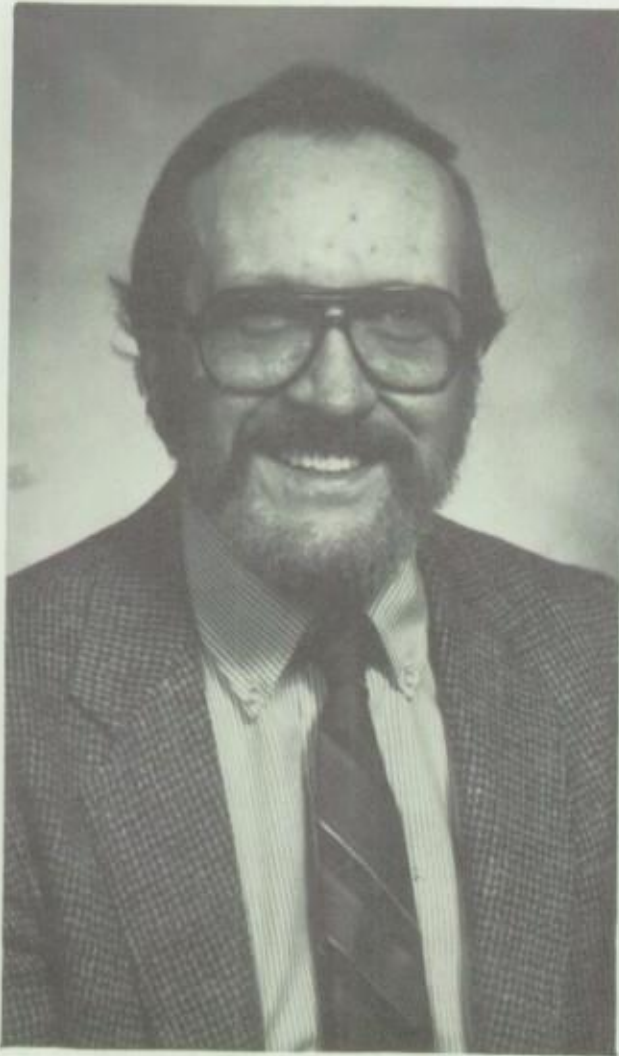

Good Luck,

Norman Silber

Once again, the Assistant Principals kept the school running efficiently. Every aspect of Lane's activities was carefully nurtured and protected. Teachers and students like have been reassured about impending changes affecting the school. This attitude helps keep Lane great.

"Yosh"

Mr. "Yosh" Oda died in October, 1983. He had been a photographer for Root Studios for many years. To many of us at Lane, he was far more than just a professional photographer—he was "Lane's photographer." He frequently helped students and faculty with problems and questions concerning photography; he was concerned about his professional work and wanted "his" clients to be satisfied; he liked people; he was our friend.

MR. "YOSH" ODA

Class Act

This has been a year of changes, one of which is the new procedure for grading. It is now simpler and less time-consuming, and no class time is

lost in the process. Teachers can record the grades on computer cards before school starts. The grades are automatically transferred to sheets,

one of which is given to parents, the other kept by the school as a permanent record. Most people have reacted favorably to this innovation.

Mr. Frank Olson shuffles his cards to get them in order for the RECORDING OF THE GRADES, while Mrs. MacHale waits to put them into boxes for transporting to the Board of Ed.

Mrs. Sylvia Walls takes a serious look at her students' grades before she enters the permanent grades on the report sheets.

To; a very sweet, intelligent, nice and cute person. Whishing you the best of luck in the upcoming years here at Lane Tech. I still say that I'll call you Ed, not sir o.k. And I hope to see you next year. Have lots of fun during the summer. (Don't have too much fun. o.k.) Hey ya!!

Rolanne Oliva

Frederick A.

P.S. - please waste your money on clothes & food & movies. Not on video games. You'd look good in fancy clothes.

P.S.S. - and get a new hair style!!
(How about a Punked out hair style)

AUTOGRAPHS

no the main thing
your alright and
pretty cool guy (sometimes)
I got rid of that goody goody
image and stand Parky
I wasted a lot of time
summer it's just a lot of head
you may need it.
Klein
Maurice

Say Ed
you have to start
talking to gals
because then you
won't just sit there
and do work in class
while everyone else
is talking
Uggh Football
Maurice

ED,
Even though I'm sick
of seeing you first
at Barry, then now
at Lane, it's been kinda
fun-~~but~~ but will ya
please stop going to
every school I go to!

Ed (Calvin) Klein,
↓
Just kidding

Well, this biology
class is finally over
and you have called
me everything and hit
me and punched me
but I pulled through.
Now you can say you
aren't a stupid freskie
anymore, just stupid.
(only kidding)

Ben nice to ^{your} family over
the summer and don't
beat your mother up!
Have fun this summer
and be good (but not too
good). Maybe we will have
a class ^{together} next year (god I hope
not)
(only kidding)

P.S. I think
Kurt likes
you!
Love
Maurice

To Ed Calvin & Co.
It was great meeting
you this year! Especially
when you always "NAC"
me in labs! Just kidding!
Good Luck next year! Love!
A run into you sometime!
Friends in Bio!
Your Chow

P.S. Did you ever find out
your blood type? 😊

E.K.-

I really don't hope I have you in
any of my classes next year
but if I do-I'll live. Good

luck-Try not to get so
much in school-you punk

Have a cruddy summer

Bob 252-5140

P.S. I'll never forget
you because your

Initials are all over
my drafting board

ED,

This first year was
great I hope the next
3 are better. In 8th
grade I thought you
were my friend and
when we got to Lane
I knew I had a friend
That would stick by
me. I know we
will both make it
Through Lane with
no trouble at all
(maybe)

your
Friend
Mike

Dear Ed,
It's been nice
knowing you.
Enjoy your
summer and
good luck.
Always,
Evelyn
Jennings
